## Observations...

Next Tuesday we are going to the polls for the second time in the Democratic Primaries; and, of course, this is the finals. At that time you will cast your ballot for those of your choice in the run-offs for the various state and county offices. . . . We, of course, are interested in seeing those whom we feel are best qualified for the office they seek elected, and at all times, even during the hey-day of our political life, we have always felt free to express our choices for the various state offices. . . . Throughout the many years of our public life we have had occasion to meet, and know personally, many of the candidates who are now aspiring to state offices. Many of these men are our personal friends, and, naturally, we are going to support them. . . . In the Governor's race, as we have expressed heretofore, we are for HUGH WHITE. . . . We feel that his past record as Governor best qualifies him for the highest office with in the gift of his people. . . . HUGH WHITE has probably done more for the State of Mississippi than any other man who has served in the office of Governor. . . . We know he has been responsible for the industrialization which has taken place in the State within the last few years; and judging the future by the past, we can certainly look forward to more payrolls for Mississippi under the administration of HUGH WHITE. . . . The one thing we should definitely bear in mind is that HUGH WHITE was, and has always been, a friend of the Mississippi Coast. . . . In the Lieutenant Governor's race, of course, our good friend, JIMMIE ARRINGTON, Publisher of the News-Commercial of Collins, and former Mayor of that City, is our choice. . . . Jimmie can, and will be, Mississippi's ambassador of good will throughout the nation. . . . JIMMIE, we would say, is second to none, throughout the country as a wit and humorist. This boy has been in the big time as an after dinner speaker. . . . From New York City down. . . . And most important, as a public officer, JIMMIE served the City of Collins as Mayor for several terms, and did you know that Collins had no municipal taxes? . . . Quite a record for a City in Mississippi. . . . Mississippi will make no mistake in electing him Lieutenant Governor, and we hope all of our friends in Hancock County join with us and cast their vote for this outstanding Mississippian. . . . For State Auditor we are for W. D. (Bill) Neal. . . . We know Bill Neal, and we are for him because we think he is qualified to hold the job of State Auditor. . . . He is an Auditor with much experience in State and County work. . . . His opponent is not trained in this particular type of work, and his only claim for election would be the fact that he has sold caviars, etc., to the members of the Board of Supervisors throughout the State of Mississippi. . . . BILL NEAL led the ticket in the first primary by more than 39,000 votes; and it is our hope that Mississippi will choose an auditor for the Auditor's office. . . . This is one of the State's most important offices. . . . The auditor is the man who keeps track of the purse strings of the State and County. . . . Are you interested in seeing a qualified man in this position? If you are, won't you cast your vote for BILL NEAL. . . . For State Land Commissioner, we are going to cast our ballot for our old friend, WALTER MCGAHEY, who has really made us a good land commissioner. . . . You know, Walter MCGAHEY has a little local concern, too. . . . He is somewhat related to our fellow townsman and good friend, Joseph O. Mauffray. . . . If we did not know WALTER MCGAHEY, that alone would be recommendation enough for us. . . . We know WALTER DELL DAVIS personally, and have never met a finer fellow. . . . He is publisher of the Conservation News at Jackson, and served as chairman of the Workmen's Compensation Commission until he resigned to enter the race for Insurance Commissioner. . . . We are going to cast our vote for WALTER next Tuesday. . . . And certainly, we are not going to overlook voting for our old friend, C. M. (RED) MORGAN, in the race for Public Service Commissioner. . . . We would have a feeling of ingratitude if we failed him. . . . He is the one man in public office who has been at the beck and call of the people of the Mississippi Gulf Coast in every fight for better train service, etc.

## BAY HIWAY BRIDGE BURNS FOR FIFTH TIME

### So. Bell Operator, City Officer Save Meyer's From Destruction By Fire

#### Prados To Leave Saturday For Lightning International Races

#### Martin Bermond, 6, Killed In Accident

Martin Bermond, 6 year old son of Mr. and Mrs. Leo Bermond, was fatally struck by an automobile Saturday, August 18, and died of internal injuries at 3:40 p. m., ten minutes after arrival at King's Daughters hospital.

According to Deputy Sheriff Paul Egloff, a car, driven by Willys Rhodes of Bay St. Louis, struck the child as he roled into the street in his wagon in front of his home, 424 Ballentine street. It was said that he was playing in a vacant lot across the street from the Bermond home with his brothers and other children and had started home when the accident occurred.

The child's mother was on the porch of her home when the accident happened; and, with Mr. Rhodes, rushed the child to the hospital. According to a doctor's report, Martin sustained a fracture of the base of the skull, laceration of the brain and a fracture of the left leg.

Rhodes was released on bond after a hearing conducted by M. D. Rutherford, Justice of the Peace. Funeral services were held from the Fahey Funeral home Monday, August 20 at 4:00 p. m. with the rites of the Catholic Church administered by Rev. Father John Brown. Interment was in St. Mary's cemetery.

Pallbearers were Louis Gardie, P. J. Moreau, Joseph Dattie, Albert Hoda, Leo Gardie and A. J. Besancon, Jr.

Survivors are his parents; a sister, Aline; and six brothers, Joe, Vernon, Donald, Leo, Jr., Kenneth and Raymond, all of Bay St. Louis.

#### Celestine Plays To Packed House

Papa Celestine and his famous jazz band played to a packed club Saturday night at a Bay-Waveland Yacht Club dance sponsored by the Women's Auxiliary.

There's another date to circle on the calendar now—September 1. Make plans now to attend the dance at B-WYC when Johnny Detroit's band will entertain.

When the Irish and the Jews mix in New York something is bound to blow up.

In "Abie's Irish Rose," the story of a young Irish lass who married Abraham Levy, the son of a Jewish merchant, that is just what happened. It is not the young lovers who do all of the quarreling; but their fathers, both widowers, who want only the best for their offsprings.

When the marriage ceremony is performed by a Methodist minister, a Rabbi, and a Priest, the turmoil begins.

The play, which is being produced at the Little Theatre tonight and tomorrow, is one of the best that this writer has seen during the year, and perhaps a little farther back into last year's schedule.

To say that any performance is not up to par would be an understatement, because each character carries his part through to perfection. The comedy itself tends to bring out the better qualities in the performers because they can almost live their roles.

Joseph Huber, a Gulfport merchant who has taken time to come to Bay St. Louis and act in two plays, gave one of the better performances of the night. Mr. Huber, an Oscar winner for his characterization in "The Late Christopher Bean," gave another stellar performance in last night's play. As Solomon Levy, the father of Abie, Mr. Huber's accent and actions were near perfection.

Clifford Prados, who copped the district championship for Bay-Waveland Yacht Club in July, will leave tomorrow for the International Lightning Championship series at Toledo, Ohio. Composed of five races, the series will be held August 29, 30 and 31.

Prados, with his crew members, Mrs. Prados and Tommy Schaefer, is leaving here on the 25th so that he will be able to take a few practice runs around the sailing course before the official races. He will be sailing his champion boat, the "Dixie Doodle."

Although Prados won the district championship last year, he did not enter the international. The district is made up of yacht clubs in the Alabama-Louisiana-Mississippi area.

If the "Dixie Doodle" should take first place at Toledo, Bay-Waveland Yacht Club would automatically win the right to stage the big show at the home club next year.

#### B-WYC Ties For Third Place In Knot Regatta

Bay-Waveland placed third, fourth and fifth in the Knot Trophy three race series at Pensacola Saturday and Sunday.

The local club tied with Pensacola for third place in the series.

Evie Socola sailed to a third place, Ann Chapman to a fourth, and June Breath finished fifth in her race.

Pass Christian won top honors in the all-girl regatta. Pensacola finished second.

#### L. Seal Jr. Elected

Leo Seal, Jr., was elected leader of Hancock County for the Mississippi State College Alumni Association, coast district, at Gulfport Wednesday. Vincent Daura, Gulfport, was elected president.

Paul Lacoste, formerly of Bay St. Louis, was elected secretary. Other county leaders elected were: Avery W. Mauldin, Harrison; Otto C. Rowell, Stone; and Jim Stone, Jackson.

Through the quick thinking and action of Mrs. Sam Thompson, a Bay St. Louis woman, and Sgt. T. J. Kerosien, a U. S. Marine, a fire which threatened the life of a young boy was quickly extinguished.

Approximately 975 Midshipmen Second Class (Juniors) from the U. S. Naval Academy at Annapolis, Maryland, and about 570 Second Class Cadets (Juniors) from the U. S. Military Academy at West Point, New York, currently are engaged in a combined training program of amphibious warfare. The ashore training phase is being conducted at the U. S. Naval Amphibious Base, Little Creek, Norfolk, Va., while instruction afloat is taking place in the ships and craft of the Amphibious Force, U. S. Atlantic Fleet. This amphibious training program is the only completely combined phase of the curricula of the two academies.

Shown here is Phil J. Kerosien, son of Mr. and Mrs. Horace Kerosien, 120 Carroll avenue, Bay St. Louis, (right), inspecting an 81st MTC mortar at an amphibious-airborne display. With him are fellow midshipmen (L to R) Lawrence B. Molnar and Paul T. McIntyre. All are students at the U. S. Naval Academy Annapolis, Maryland.

#### Episcopal School Nears Completion; Classes To Begin September 10

#### Hancock County Defense Bond Group Is Named

Work is progressing rapidly on the new modern Episcopal school building on South Beach. Reverend Charles R. Johnson, stated that the school, located behind the rectory, will open for classes September 10. Registration will start August 25.

Including four rooms and a modern kitchen, the school is expected to be completed by September 1. The rooms will be finished in natural cypress and will be lighted by fluorescent fixtures.

The main contractors are Noto and Larroux. The contract was let in the middle of July.

Teachers this year will be Mrs. Earl Ramond of Bay St. Louis, second grade; Miss Robin Longne of Hattiesburg, first grade; Mrs. L. R. Stehling of Gulfport, kindergarten; and Mrs. H. B. Shipman of Bay St. Louis, nursery.

The Episcopal school was first started in February 1950 when a kindergarten was introduced at the parish house on Carroll avenue. In September the church rented a small space on Main street where a first grade was added. This year a nursery and second grade will be included.

Rev. Johnson said that it is the hope of the local church that an addition of a grade a year might be made to the new school.

#### Local Schools To Enroll Students

Registration for Bay St. Louis public schools will be held Friday, August 31. St. Joseph Academy school will be open on Monday, August 27, and St. Paul's school will be open on Tuesday, August 28. St. Paul's school will be open on Wednesday, August 29. St. Paul's school will be open on Thursday, August 30. St. Paul's school will be open on Friday, August 31.

Public schools will open Tuesday, September 4. Classes will be in September 5 for both S. J. A. and S. S. C.

A six o'clock Mass will replace the regular 10 a. m. scheduled one at Holy Cross Chapel, Bayou La Croix, Sunday, August 26. Monsignor Gmelch will celebrate the Mass.

The third annual outboard races for local boats will be held Sunday, September 2, Charles A. Breath, Jr., announced this week.

These races are for the owners of regular skiffs and outboard hulls that are used for everyday fishing and pleasure, but that can be used once a year to be raced against each other.

There will be classes from the two and a half horse power to the 25 horsepower. The course will be in front of the Bay-Waveland Yacht Club, and the starting time will be around 4:00 p. m. A small trophy will be given in each class.

Entries in the various classes thus far are Ben Hille, Jr., Jay Harris, Bernard Wolfe, J. D. Molter, Jr., Charles Poolson, Jr., Louis Marmore, Donald Crasto, Bill Whitfield, Rusty Breath, Frank Hille, Roy Baxter, August Rauxet, Kenneth Plunket.

Anyone interested in entering can call Breath for further particulars.

J. J. Kelleher as the boisterous Irishman could have displayed a little more of an Irish temper in the scenes where it was required; but Mr. Kelleher is more or less made for this particular type role and he always comes forth with a good deal of showmanship and humor. He carries his part to a good finish.

White, a States' Righter, has based his platform on an improved farm program, more industry for the State, rapid progress on farm-to-market roads and numerous other benefits which "will bring progress to Mississippi."

When he served the State as Governor, his leadership and experience aided Mississippi in making great strides in industry. His slogan during his entire campaign has been, "No Substitute for Experience."

White, former governor of Mississippi, is in the race for Governor of the State of Mississippi with Paul B. Johnson Jr. He led the ticket over seven other opponents in the first primary. He received more than 92,000 votes August 7, over approximately 25,000 for Johnson.

White, former governor of Mississippi, is in the race for Governor of the State of Mississippi with Paul B. Johnson Jr. He led the ticket over seven other opponents in the first primary. He received more than 92,000 votes August 7, over approximately 25,000 for Johnson.

#### OPENING CEREMONIES TODAY FOR CONSTRUCTION OF BRIDGE

#### Coast Unit Top Company Of Week On Training Duty

Bay St. Louis' Company "B", 302d Amphibian Tractor Battalion won top honors for the first week of a 15 day active duty training at Fort Benning, Georgia. Company "B" is composed of men from Bay St. Louis, Waveland and Gulfport.

The company took first place four out of five times on general inspection, judged on cleanliness, neatness and orderliness of troops and living quarters. Morale of the troops has been excellent.

Individual honors were won by 1st Sgt. Warren Carver and Pfc. Bernard Piazza who captured first and third places, respectively, in scoring while firing the M-1 carbine in battalion competition.

Company "B" is commanded by Captain Lewis C. Allen of Gulfport. Captain Donald McCulloch of Bay St. Louis is assigned to the company in executive capacity.

Sergeant Lazaro P. Holland of Bay St. Louis is battalion mess sergeant. Meals have been excellent according to reports from both officer and enlisted personnel.

Training during the 15 day active duty call includes close order drill, range firing with the M-1 carbine, map and compass problems, radio and short wave communications, driver training for wheeled vehicles, caring for one's self in the water under combat conditions, military courtesies, discipline, amphibious tractor driving and maintenance of the uniform and ammunitions.

The 302d will leave Fort Benning Sunday morning, August 26. Company "B" is scheduled to arrive in Bay St. Louis Sunday evening.

"B" Company men taking this training are: Captain Lewis C. Allen, Gulfport; Captain Donald McCulloch, Bay St. Louis; 1st Sgt. Warren Carver; Sergeants Ott S. Brockman, Lazaro P. Holland, Joe C. Keller; Corporals Lloyd J. Johnston, James D. Mauffray, Henry J. Prevou; Pfc. Curtis Colson, George T. Davenport, Norman J. Green, Joseph B. Miller, Bernard J. Piazza, Neil A. Walker, and Privates Albert W. Beam, Eugene J. Garcia, Clifton H. Piazza and Anthony Schultz.

#### White To Speak Here On Monday

Two-way traffic has been resumed over the entire length of the Bay bridge following chief repairs of damages caused by fire Sunday afternoon. Joe Moran, state highway department maintenance man for the bridge, stated that all bridge repairs would be completed by today. The bridge was opened to heavy traffic Wednesday at 4 p. m.

The fire, the fifth in 10 years, destroyed much of the walkway and railing on the bridge along a distance of approximately 300 feet on the west side of the draw. The blaze seriously damaged several of the supporting pilings of the bridge.

The flames were extinguished within a half-hour from the time that the fire was first reported. Bay St. Louis and Pass Christian fire engines and a state highway department fire boat rushed to the scene at 3:30 p. m.

No official highway department estimate has been made as to the extent of the damage, but City Commissioner C. J. Glover reported "several thousand dollars" damage on the wooden structure.

Fire has damaged the bridge five times, three times heavily. The last time was July 29, 1949, when lightning struck it. The 1947 hurricane also did heavy damage to the span.

Meanwhile the highway department is considering spraying the dry wooden bridge with a chemical which would reduce the danger of fire. A highway spokesman explained that the creosote in the bridge timber rises to the surface under the extreme heat of the summer and that gas escapes through evaporation. This is an outstanding fire threat.

STARTING BRIDGE WORK Opening ceremonies will be held today when work will officially start on construction of a new \$8,500,000 toll bridge across the Bay of St. Louis. The ceremony will be held at the bridge site at Henderson Point.

One highway department spokesman stated, "We're going to hand them a shovel and say, 'Here, get to work.'" The bridge will be built by Merritt Chapman and Scott of New York, who have contracted to have the bridge built by June 30, 1953.

#### Wilmer - Loiacano Take First Place In Softball League

Wilmer-Loiacano softball team whipped Gilmore's four games straight in the league finals to win the first place trophy.

The K. C. Clermont Harbor, Wilmer-Loiacano and Gilmore teams had won the right to participate in an O'Shaughnessy play-off. Other teams of the league which is under K. C. management were Morrice-Soldine and the Youth Center.

In the first play-off series, the KCs were eliminated by 3 straight losses. Loiacano-Wilmer beat Clermont Harbor 3-1 games, Loiacano-Wilmer and Gilmore then met in the finals.

Trophies will be presented to the three top teams, Wilmer-Loiacano, Gilmore and the K. C's. These trophies have been donated by the Knights of Columbus. A trophy will also be presented to the player holding the highest batting average throughout the season.

All of these games have been played at Morrice's Stadium on Highway 90.

#### Gregory Favre Elected Youth Center President

Gregory Favre was chosen president and Howard M. Curdy vice president at the election of officers for the Bay St. Louis Youth Center Saturday night. Joe Dupiquier was elected secretary of the club and Gerald G. G. re-elected treasurer.

At the head of the line is Joe Kersanac, with John lover assisting him. Freddie O'bell was chosen Captain of the Bar. Alice Scalfidi will act as his assistant. Mrs. B. R. Nobles, directress, stated that the future of the Youth Center for the coming year looks bright. She also said that a calendar of coming events will be published at a later date.

## Your Memory Should Not Fail You

Another fire made a pretty fair start Sunday afternoon on the old dilapidated bridge which spans the Bay of St. Louis. The work of the Bay St. Louis Fire Department, with the aid of Pass Christian Department and Highway Department fire boat, saved the old structure, and prevented any great damage.

It is indeed, a crying shame that Highway 90, the primary highway of the State of Mississippi and a road with probably the highest traffic count in the State has been so neglected. Some two and a half years ago we suggested that the department allocate funds for the building of a new bridge over the Bay of St. Louis, and at that time we charged that an excess of \$3,000,000.00 rested in the treasury of the State Highway Department unallocated. Of course, the usual excuse that the funds had to be divided between the three districts met the charge we made.

The State Highway Department at that time could have allocated funds for the State's share for the building of a toll free bridge over the Bay of St. Louis, and it would not have been necessary to build a four lane bridge at the time. Two lanes would have been sufficient for the time being, and another two lanes could have been added later. The bridge could have been built at a cost of approximately \$3,000,000.00. If some action would have been taken at that time, we would now be travelling over a concrete span, instead of the old wooden structure which has become a menace to life.

Of course, the commissioners from the other districts were not interested in the building of a new bridge over the Bay of St. Louis, except to help saddle us with a toll bridge in a location the majority of the people of Bay St. Louis did not want. The Commissioner for the Southern District had forgotten that the Mississippi Gulf Coast was in his district, until such time as he realized that there were approximately 30,000 votes in the three coast counties. But did we get a bridge? Certainly not. Allocation of funds was made elsewhere, along the coast for roads; and the bridge, which is a death trap, was forgotten until such time as the Legislature of 1950 authorized the building of the "colossal monument to political indifference" for which a contract was let some 15 months later and on which work has not yet begun.

The memories of the people of this county should not fail them on August 28. They should remember to forget the man who forgot them. John D. Smith failed us when there were sufficient funds in the treasury of the State Highway Department to pay for the State's share of a free bridge. There were sufficient funds at the time to allow the Commissioner of the central district, "Strutting Sid" Roebuck, to pay over \$1,000,000.00 for right of way through the City of Jackson for Highway 51. Did John Smith vote against the location of this highway through the City of Jackson where Sid Roebuck wanted it located? We do not have the record, but we are willing to lay odds that he did not. Yet, John Smith would have us believe that a free bridge could not be built because of lack of funds; and, when the toll bridge was cast upon us, he would have us believe that Sid Roebuck and Roy Adams did not want the bridge in the present location. Just some more pap.

John Smith could have built a free bridge, and John Smith could have designated the location of the Toll span with as much ease as Sid Roebuck located Highway 51 through the City of Jackson at a cost of over \$1,000,000.00.

Bear in mind that next Tuesday you are going to elect a commissioner to serve you for 4 more years. Remember the past four, and vote for a man who at least has the interest of the people of this section at heart.

Go to the polls and cast a vote for John Lumpkin, a native of old Hancock County.

### NOTICE OF TRUSTEE'S SALE

I, Shed H. Weeks, Trustee, under the provisions of an order of the authority conferred upon me in a deed of trust made by Clarence wheat and wife, Myra March, 1948, to Shed H. Weeks, Trustee, to secure a certain indebtedness to the Veterans' Farm and Home Board of the State of Mississippi, and which said deed of trust is recorded in Trust Deed Book No. 43 on Pages 411-412-413 in the Chancery Clerk's office of Hancock County, Mississippi, and default having been made thereon, I will, on the 14th day of September, 1951, offer for sale, and will sell at public auction for cash to the highest bidder, at the north door of the Court House a Bay St. Louis, Mississippi, within legal hours, the following described real property:

Situated in Hancock County, Mississippi, to-wit:

First: Commencing at a stake which is the Fourth Mile Post on West Boundary line of Township 7 South, Range 16 West, or the NW corner of Section 30, same township and range, thence south 2375.5 feet to a point, thence East 3980 feet to a point which is Elvis Roberson's NW corner, thence North 89 1/2 degrees West 125 feet to a stake on West side of U. S. Highway as a place of beginning; thence West 875 feet to a stake, thence North 28 1/2 degrees West 512 feet to a stake, thence East 875 feet to a stake on the West side of U. S. Highway, thence South 28 1/2 degrees East approximately 512 feet along West line of right away of said Highway, said land containing 10 acres more or less, and being part of John Shave Claim, Section 30, Township 7 South, Range 16 West, Hancock County, Mississippi.

Second: Commencing at NW corner, Section 30, Township 7 South, Range 16 West, thence run South 2375.5 feet, thence East 3980 feet, thence run North 89 degrees 30 minutes West 125 feet to South side of Highway No. 11, thence South 40 degrees 40 minutes East 129.3 feet to a place of beginning, thence South 1 degree 30 minutes East 1 chain 90 links, thence West 12 chains 70 links, thence South 28 degrees 30 minutes East 16 chains 20 links to West side of Turtle Skin Creek, thence along West side of said creek as follows: North 48 degrees East 2 chains 45 links, North 21 degrees East 1 chain 22 links, North 45 degrees 30 minutes East 2 chains, North 63 degrees 30 minutes East 1 chain 60 links, North 75 degrees East 4 chains 53 links, North 68 degrees 30 minutes East 5 chains 70 links to South side of Highway No. 11; thence North 46 degrees West 12 chains 40 links to place of beginning, containing 19 acres, and being a part of John Shave Claim, Section 30, Township 7 South, Range 16 West, EXCEPTING from the above, the following described property:

Commencing at the NW corner of Section 30, Township 7 South, Range 16 West, thence South 2375.5 feet to a point; thence East 3980 feet to a point, thence North 89 degrees 30 minutes West 125 feet to a stake on the West side of U. S. Highway No. 11 as a place of beginning, thence following the centerline of the Old Gainesville-Columbia Public Road in a southerly direction to a point where it reaches the

North bank of Turtle Skin Creek. It being the intention to reserve a strip of land 15 feet each side of the centerline of the above mentioned road for ingress and egress over and across said land described. The above mentioned section of road being part of the John Shave Claim, Section 30, Township 7 South, Range 16 West, Hancock County, Mississippi.

Third: Commencing at a stake which is the Fourth Mile Post South on the West Boundary line of Township 7 South, Range 16 West or the NW corner of Section 30 of the above mentioned Township and Range, thence South 2375.5 feet to point, thence East 3980 feet to a point, thence North 89 degrees 30 minutes West 125 feet to a stake, thence North 28 degrees 30 minutes West 512 feet to a stake on the West line of U. ### TO THE VOTERS OF BEAT 5

I wish to state that I am not sup-

porting any candidate in the second primary.

## BOY!! I SURE SCARED 'EM!!

That flea might convince someone he has done the scaring... if he yells loud enough to reach people who can't see the elephant.

Many people "can't see the elephant" when it comes to rural electrification. They know that a tremendous job of rural electrification has been done, but they can't see who is doing it.

We have been doing a job of electrifying farms in this area for a long time. All over the country other rural electric systems have been doing the same thing. When our program was set up in 1935, only one farm in ten had electricity. Now

only one in ten does not.

We have been concerned with electrifying farms, not grabbing the spotlight. Having done a job—and continuing to do one—we feel a little like that elephant, though, when someone else tries to take the credit. That's especially true if he wants to take the credit to keep us from completing our job.

As a locally-owned, locally-controlled rural electric system, we want to continue our work until every farmer who wants electric service gets it... until every farm has the low cost, reliable service it needs.

## A VOTE FOR JOHN LUMPKIN IS A VOTE FOR HONEST, SOBER AND EFFICIENT SERVICE -- AND ONE

To do away with machine politics, as now practiced by the Highway Department in the Southern District, which is on a parallel with the Pendergrast Machine of Kansas City. They have demanded that the Highway Department employees vote as the Machine dictates, leave their jobs, and devote their entire time to re-electing the Machine candidate, this while on the taxpayers payroll. They have unlimited funds at their disposal by virtue of shakedowns of the equipment dealers and contractors.

John Lumpkin is in favor of Civil Service for the Highway Department employees so that they will not be dominated by a political czar, and believes that the Highway Commissioner should not succeed himself.

John Lumpkin believes that common labor should be paid the minimum of 75 cents per hour as prescribed by the Federal Government instead of 50-60 cents per hour they now receive, skilled and semi-skilled in like proportions.

John Lumpkin has a program that will save the taxpayers 40 per cent on the blacktopping of rural roads. This can be easily accomplished by using existing machinery now owned by the Highway Department and purchasing the asphalt, sand, and gravel from the manufacturers and pit owners instead of double dealing contractors and petty politicians.

John Lumpkin will appreciate your vote and influence.

### Patsy Favre Celebrates Birthday

Patsy Favre, daughter of Mr. and Mrs. Horatio Favre, was honored with a surprise party at the Youth Center on the occasion of her fifteenth birthday Monday, August 20. The young people attending the party enjoyed dancing and the other entertaining facilities of the club. Refreshments of cake and soft drinks were served.

### Bride-Elect Honored In New Orleans Sunday

Miss Meryl Radford, a bride-elect of September 15, was honored at a lingerie shower given by Miss Jean Nebel and Mrs. John Caruso in New Orleans Sunday, August 19.

A color scheme of pink was carried out in the decorations and refreshments. The table was decorated with a watering can with showers of pink cellophane coming from the tip; and a heart, decorated with roses, held the honoree's many gifts.

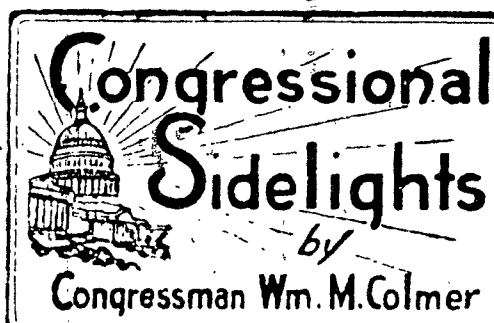

Miss Radford was attired in a pink linen sun back dress worn with a bolero and a white carnation corsage.

Mrs. O. L. Radford of Bay St. Louis attended the affair in her daughter's honor at which approximately 30 guests were present.

### Entertain at Cocktails

Mr. and Mrs. R. H. Steiffel were hosts at a cocktail party Saturday night at their home.

The guest list included Mr. and Mrs. Lester Smith, Mr. and Mrs. Raymond Kirst, Mr. and Mrs. Rene Gelpi of New Orleans, Dr. and Mrs. Henry Llorens of Shreveport and Mrs. Fred Russell of New York and Shreveport.

### DEFENSE SPENDING

If, as we have long suspected, Russia hopes to conquer the United States, its chief rival, through bleeding us to death economically and taking over through infiltration in the resulting chaos and unrest, it would appear that she is making good headway. The fear of Russia has already cost us many billions of dollars in assistance to other free countries of the world, plus many additional billions in building up our own national defense. In fact, this Congress this year will have authorized the expenditure of more than a hundred billion dollars, 80 per cent or more of which will go directly or indirectly into our efforts to off-set this Communist threat.

Of course, hand in hand with these huge expenditures goes the

threat of ruinous inflation, inflation, of course, is now a reality. The big problem is to control it sufficiently to prevent its becoming ruinous.

Naturally, a large percentage of this money will be spent in the United States. It is estimated that of the fifty-two billion dollars recently appropriated by the House for military defense, about thirty billion dollars will be spent at home.

This thirty billion dollars will flow to practically every state in the Union. However, again the South will be at the bottom of the list, including Texas, which will be one of the largest beneficiaries

of this new spending. In fact, Texas, Ohio, Michigan, Pennsylvania, New York, and California will be the biggest recipients of these funds.

The East South-Central States consisting of Kentucky, Tennessee, Alabama, and Mississippi will receive a total of \$267,000,000.00 in new orders and \$436,000,000.00 in new contracts. Of this group, Mississippi will receive the smallest amount, \$27,000,000.00 for new orders and \$80,000,000.00 for new construction, a total of \$107,000,000.00. Breaking this down further it is interesting to note that of this \$107,000,000.00, approximately \$1,000,000.00 will go to South Mis-

issippi. This will be mostly for Keesler Field at Biloxi, the Naval Depot at Gulfport, and Camp Shelby at Hattiesburg. The fact that practically all of the money expended in Mississippi under this new program will be expended in our Congressional District is the only comfort that we get out of these huge expenditures.

While the expenditure of these huge funds are welcomed in most instances by the communities in which the money is expended, just how far we can go and how long this drain upon the economy of the country and the taxpayers can last is the overall problem. It is a matter of deep concern to us as it must be to all thoughtful citizens.

### City Echoes

—Mr. and Mrs. DeWitt Davis of Hattiesburg spent Sunday here as the guest of Mr. and Mrs. Hilton Smith. The Smiths and their guests spent the afternoon in New Orleans.

—Lt. Col. and Mrs. Campbell Palface Jr., and children were guests of Mr. and Mrs. Donald Cole Saturday. The Palfaces were enroute to visit Mrs. J. F. Wigington in New Orleans. From New Orleans they will go to Maxwell Field, at Montgomery, Alabama, where Major Palface will be stationed for about four months. Major Palface, nephew of Mr. and Mrs. Cole, is a graduate of West Point and

has been an instructor there for four years.

—Guests of Mr. and Mrs. Raymond Kirst at their Waveland home for the week were Dr. and Mrs. Henry Llorens of Shreveport, Louisiana, their children, Lee and Richard IV; and Mrs. Fred Russell of New York and Shreveport.

—Mrs. Michael Egan and children left this week for her home in Washington, D. C., after spending the summer here with her parents, Dr. and Mrs. A. P. Smith.

—Bill Whitfield has returned to his home here from Chattanooga, Tennessee, where he has been attending school at McCallie for the past two months.

Mrs. H. A. Thompson and her daughter, Miss Pat Thompson, spent Tuesday night at the Thompson home here. They reported Captain Thompson as slightly improved. Captain Thompson is still in the Veterans Facility at Biloxi but it is expected that he will be moved to a New Orleans Hospital within a few days.

—Mrs. Albert Marx of Houston, Texas, is visiting her uncle and aunt, Dr. and Mrs. C. M. Shipp.

—Dr. R. L. Lee and family will return to Bay St. Louis today from their vacation. Dr. Lee will fill the pulpit Sunday at the First Baptist church.

I am deeply grateful to my many friends, in Beat 3, for the splendid vote I received in the election on August 7, which returned me to the Office of Supervisor, Beat 3, with a majority of votes over 5 opponents.

To say that I appreciate the confidence, which you my people have reposed in me, is putting it mildly. I hope that I shall continue to merit this confidence and I assure you that I shall try to render you the service you would expect of a public official, ever bearing in mind the welfare of our county, and the people whom I serve.

in the Telephone rate cases that have come before the Mississippi Public Service Commission since 1948:

- 1948. Sought \$1,500,000.00 Denied by Commission. Granted by Hinds County Chancery Court on appeal.
- 1949. Sought \$2,800,000.00. Commission granted \$1,500,000.00 on recommendation of Attorney General.
- 1951. Sought \$2,400,000.00. Denied by Commission. Commissioner Morgan did not vote for an increase in any instance.

ARCHIE McDUFFIE,  
Secretary Public Service Commission.

As will be seen from the above official record, I have at all times endeavored to keep telephone rates at a minimum.

With reference to rural telephones, the two candidates for Governor are both advocating the establishment of rural telephones in Mississippi. Until this is done by the Legislature, nothing can be done about it by the Public Service Commission or anyone else. As a member of the Commission I will do everything in my power to establish rural telephones if and when the Legislature passes the necessary laws enabling the Commission to act.

I take this opportunity to thank the voters of this district for their vote of confidence given me in the first primary, and earnestly solicit your support on August 28th.

**Addresses Rotary**  
 "What is Rotary," was the subject of the talk given by W. J. Hugo, of Hammond, Louisiana, before the local club Wednesday afternoon.  
 "The keynote of Rotary is service," Hugo stated. "Rotary has only one mission—to be friendly, in helping the other fellow, the Rotarian gains for himself."  
 Hugo said 73,000 clubs in 83 countries are working to create a better understanding among the different peoples of the world. These clubs composed of 353,000 business and professional men are spending \$1,500,000 over a six year period, on this project, principally on foundation fellowships, which enable outstanding graduate students to study for one year in countries other than their own, as good will ambassadors.

**TUESDAY CONFERENCE**  
 At a conference of Bay Rotary officers the preceding night, Arthur Chapman offered his official resignation as president of the club. Chapman felt that he should resign since he has sold his business here and will commute to New Orleans. Robert Hamilton, vice-president, was next in line of succession and took over the presidency. Ben Hillie was chosen to fill the vice-president's position.

**Addresses Rotary**  
 Although service is primarily individual, the collective activity of the club encourages men to participate in civic affairs in which they are most suitable, Hugo maintained. In talking of honesty and the high sense of honor of the Rotarian, he asserted that it is good to have the things that money can buy, but it is also good not to lose the things that money cannot buy.

## McGahey Seeks Votes August 28

Probably the only state official to turn money back to the State Treasury from his legislative appropriation is Land Commissioner Walter L. McGahey.

## STATE GAINING REPUTATION AS LEADER IN LIVESTOCK

A Texan would have sneered 10 years ago had anyone suggested that he come to Mississippi to purchase cattle. In recent years not only Texans but cattlemen from 38 states and 15 foreign countries have been looking to Mississippi for quality registered cattle.

Evidence of this shifting trend toward livestock growing in the South, and particularly in Mississippi, was forcefully brought home at the 10th annual sale of the Circle M Ranch at Senatobia, in North Mississippi, early this year.

A total of 55 head of polled Herefords netted their owner \$247,600, or an average of \$1,411 per head, an almost inconceivable sum to many a Mississippi farmer who has thought only in terms of cotton as the money crop. The North Mississippi auction not only shattered attendance records with breeders from 15 states and two foreign countries, but set a new world record price for a polled Hereford bull, CMR Anxiety Domino 25th, 1950 National Show Reserve Champion. This top drawer gentleman was purchased by Cattlemen C. C. Potts of Pottstown, Pennsylvania, for \$10,500.

M. P. Moore, owner of the widely recognized Circle M Ranch, purchased his first two registered heifers back in 1928, determined that Mississippi land if properly managed could produce the best livestock in the world. He decided to specialize in Polled Herefords.

To date Circle M has conducted 10 annual auction sales for polled Herefords, and for 10 straight years now Moore's offerings have brought the nation's highest average prices for this breed.

The story of Circle M Ranch is used to emphasize the growing importance of Mississippi's cattle industry, because it has been the most widely publicized throughout the nation. Scores of other prominent Mississippi cattlemen are pioneering in this comparatively new field of agricultural endeavor with marked success, although in the eyes of the industry we're mere babes in arms.

Approximately 75 regularly scheduled auctions are conducted in Mississippi at this time. Close to 30,000 head of cattle will pass through Tri-State's Stock Yards at Greenville annually. Macon auctions will handle about 50,000, Jackson 30,000 and so on down the line.

Such auctions are drawing breeders from all over the nation, yes even the Texas cattle country, Pennsylvania, Michigan, Wisconsin, and as far north as Canada. Cattle purchased at the recent Senatobia sale went into 15 states and to Argentina and South Africa.

Mississippi at present boasts 1,791,000 head of cattle and calves to lead the nine southeastern states. It has more milk cows than any of these states except Tennessee and Kentucky.

The cattle population has increased almost 100 per cent since 1930, and by 1970 during the past year. But even more important than the quantity is the fact that quality has been introduced.

In 1949 Mississippi's income from livestock amounted to \$112,900,000, or almost 25 per cent of the total cash farm income for that year. The value of livestock for the same year amounted to \$179,000,000.

Mississippi in 1949 had 946,000 hogs on hand valued at \$21,753,000, 106,000 head of sheep valued at \$1,484,000, and 6,981,000 chickens worth \$7,538,340. Cows and heifers kept for milk increased 5 per cent, and sheep population showed the greatest 10 year

Scenes such as this, once rare, are commonplace throughout Mississippi today. Every county in Mississippi today boasts fine pastureland, although extensive pasture improvement has been underway for only about five years. This picture was taken on U. S. Highway 61 north of Port Gibson.

CMR Rollo Domino 28th, 1945 National Champion Bull, was sold in 1946 for \$28,000.00 at the Circle M Ranch at Senatobia. The 10th annual auction at Circle M this year shattered all previous records for polled Herefords. One bull, CMR Domino 25th, 1950 National Show Reserve Champion, sold for \$40,500.

increase of any of the southeastern states.

Heretofore the western and midwestern states were considered our livestock producing areas. The trend today, however, is southward and eastward, where climate is favorable and where cattle can be produced much more economically.

These sentiments were expressed in addresses made during the 1951 convention of the Mississippi Cattlemen's Association in Jackson.

C. A. Burmeister, U.S. Department of Agriculture's livestock Branch, told cattlemen that the section of the South-east of Texas and Oklahoma showed 40 per cent of the nation's increase in beef cattle of 800,000 head.

"Cattle numbers are increasing faster in the South than elsewhere," he said. "With continued improvements in pasture this area has great possibilities for developing a larger cattle industry than other sections." He pointed out that we are now sending cattle to Texas.

Most of the development of registered livestock has occurred since 1940, according to Justin Doaks, a former Missourian, who is director of the Mississippi Cattlemen's Association.

Only since about 1945, Doaks

says, has there been too much development or emphasis on pasture land. Today six branch stations, including one at Mississippi State, are providing valuable data to farmers and livestock growers on pasture improvement and various types of feed. The Experiment Station at Stoneville has recently set up feeding tests on cattle, which should help many inexperienced growers with their problems.

Although such information has been available on Mississippi for only a short time, no one traveling the state can fail to see the progress being made along this line. Mississippi soil with proper minerals and care will produce better than any other area in the world, says Director Doaks.

"The fact is," Doaks adds, "too many of our Mississippi land owners are selling their land to outsiders who see its possibilities and who are paying big prices." Some owners in the black prairie belt of Northeast Mississippi are bringing as high as \$160 per acre, and real estate agents are being swamped with inquiries from people outside Mississippi.

"All that Mississippi lacks is know how," Doaks says. "Our big job is to get our youth interested in livestock so that they can grow up with it in Mississippi."

### Loper Thanks Voters

Please accept my grateful appreciation for the splendid vote you gave me in the first primary.

No candidate is defeated who cherishes the freedom of the democratic right to offer for public office. I exercised my democratic right and the gratitude in my heart for the votes I received is more than great.

My best wishes go to my fine friends who were fortunate enough to be in the run-off.

I realize that one has to get the majority of votes to be elected, and I harbor no ill will against anyone and do not expect to take any part in the Highway Commissioner's race.

I trust that my friends will vote for the one whom they think best qualified.

Thanks to everyone who was kind enough to put confidence in me.

Sincerely,  
O. B. (RED) LOPER.

### MELVA LEE LUKE HAS 4TH BIRTHDAY

Melva Lee Luke was honored on the occasion of her fourth birthday August 10, with a party at the home of her parents, Mr. and Mrs. Leroy Luke, on St. John street.

The color scheme of yellow and green was used; a large green cake trimmed in yellow with yellow candles centered the table. Refreshments of cake and punch were served.

Those attending were Melva Lee's brother, Leroy, Jr., Larry and Bruce Cox, Kathleen and Richard Schaeffer, Mike and P. J. Collier, Don and Dottie June Estapa, Geraldine and Billy Kidd, Judy and Jerry Taconi, Gary Noto Barbara, Anna Mae and Carol Heitzmann, Donn Lou Pierce, Hank and Jan Osolnach, George Anderson, Pat and Mike McGinity, Mimi Monti, Patsy and Roy Dedaux and Kathy and Corky Schindler.

Adults attending were Mrs. George Anderson, Mrs. Patrick McGinity, Mrs. Roy Dedaux, Mrs. Bert Estapa, Mrs. Camille Schaeffer, Mrs. T. F. Monti, Mrs.

P. J. Collier, Mrs. Lucien Kidd, Mrs. Lawrence Cox and Mrs. Joseph Noto.

### Dawnbusters To Play For Benefit

The Crippled Children's Society will present a benefit dance Saturday, August 25 at the Ortte Building on Coleman avenue in

Waveland. Pinkie and his famous dawn-buster orchestra will be on hand to supply the music. The donation for admission will be 50c.

The Hancock Insurance Agency is housed in its new quarters in the bank's building at 112 Main street. Mrs. J. R. Shadoin is in charge of the office, and Miss Norma Collier is her secretary.

Mr. and Mrs. O. G. Rasch will leave Saturday for Miami Beach where they will spend a week's vacation.

Mr. and Mrs. Fred Netzhamer of New Orleans left Tuesday after spending four days with Miss Sybil Koeniger and Fred Koeniger.

### TO THE QUALIFIED ELECTORS OF BEAT NO. 5, HANCOCK COUNTY

I want to thank the people of Beat No. 5 for the splendid vote I received in the 1st Primary on August 7th placing me in the run off on August 28th.

Although I have not been able to see each and every one personally I sincerely solicit your vote and influence in the Second Primary. My platform is unchanged. I am an independent candidate and still pledge myself to fair and impartial service to the people of my Beat. Again I solicit your vote and influence.

LEADING CANDIDATE

**SUPERVISOR RACE**

I have tried to conduct my campaign as I intend to run my office, if elected Supervisor, with sincerity, dignity, and honesty. If I felt I was compelled to belittle and lie about my opponent to be elected, I would not be a fit candidate for the most important office of Supervisor.

There have been many untrue rumors about me. This is not the first time I have come under the fire of lies. In the Waveland election of 1950, the opposition misrepresented facts, told half truths and even actual lies. Because the welfare of the Community came first with me, I refused to carry on a mud-slinging campaign in the newspaper. This sincere and unselfish attitude proved to be what the people wanted and the election results verified.

In my nine years in public office no one has ever dictated to, or controlled, me. My first thought has always been, "What will best benefit the taxpayers." No one can accuse me of not having the courage of my convictions. Even if I stand alone, my vote goes down for what I believe to be right.

Under the Administration of which I am a part, Waveland has gone forward in such a manner as to gain notice of everyone. I sincerely believe if you elect me Supervisor of Beat 5, I can pull it out of the deplorable state it is in, and really go forward to bigger and better things.

If a man in Public Office works for the PEOPLE and the COMMUNITY unselfishly and with no thought of PERSONAL gain, the results are bound to be beneficial to all.

I will conduct my office as Supervisor as I do my business, being conscientious, honest and untiring in my efforts to serve the public.

### WEEKLY NEWS LETTER

by

W. F. BOND, Commissioner State Department Public Welfare

Children taught to obey at home are generally obedient at school and grow up to be law-abiding, God-fearing citizens. A good citizen obeys the laws, is honest, industrious, loves his fellow man. The foundation for these virtues should be laid in the life of the child by the time he enters school. Because this is not done is one of the main reasons why there are so many children and young people getting into trouble.

One of the greatest law violators ever hanged for crime in Mississippi, on the night before he

was hanged, wrote his mother a farewell letter in which he stated that if she had been more diligent in his training when he was a little boy, he probably would not have ended his days on the gallows.

## City Echoes

—Mrs. C. G. Moreau had a recent visit with Mrs. Lillie Leonard and says that Mrs. Leonard has almost completely recovered from her severe illness and is well on the way to normal health.

—Mr. and Mrs. Nolan Ladner and children, Noleen, Michael and Nolan Jr., have returned from a trip to Chattanooga and Lookout Mountain, the Smoky Mountains and other points in that section.

—Mrs. E. H. Singreen spent the past week with her son-in-law and daughter, Mr. and Mrs. Henry Collins, at their country home, "Dog Patch". Also spending the weekend were Mrs. Singreen's son-in-law and daughter, Dr. and Mrs. C. R. Walters and children.

—Mrs. Joseph N. Blanchard has returned to her home in Donaldsonville, Louisiana, after spending two months with her son-in-law and daughter, Mr. and Mrs. A. J. Chapman. Mr. and Mrs. Chapman have with them now their niece, Miss Sallie Thibadeaux, of Donaldsonville.

—Mr. and Mrs. J. William Hill, Jr., of Clermont Harbor, will move into their new home at 331 Main street about September 15.

MR. and MISSISSIPPI WANT  
PAUL B. JOHNSON  
A LEADER ---- NOT A RULER

No one can deny that this 35-year old Mississippian is a leader among his people of the State of Mississippi, and no one can deny that he has a workable program for the people of this State, and a program that will redound to the benefit of the AVERAGE man, or person, of the State of Mississippi. The person who has been forgotten too often in the past.

We, in Hancock County, believe in Paul B. Johnson. We proved that by the tremendous vote in the First Primary. We like his platform, and the things for which he stands.

FIRST: We like his stand on the \$50.00 per month Old-Age Pension, for the aged and lame, who have served the greater part of their lives making the paths of the younger a little easier to tread. We don't think these old people should be required to take a 'pauper's oath' in order to collect that small stipend, either.

SECOND: We like the stand that Paul B. Johnson has taken in his promise to pay the school teachers of Mississippi a minimum of \$2400.00 per year. We cannot expect trained teachers to continue to make further sacrifices and work for the measly pay they are now receiving.

THIRD: We favor the stand of Paul B. Johnson in reference to the \$3.00 license tag for an automobile. Every other state in the Union has a moderate price for a license tag except Mississippi. By the time the average individual pays a high personal tax on his automobile; a high gasoline tax; an excise tax to Uncle Sam when he purchases the car; an exorbitant tax for a license tag each year, together with all the other taxes on that same car, the automobile has become a rich man's plaything, rather than a poor man's necessity!

FOURTH: We like Paul B. Johnson's promise that he will do everything possible to free the toll on the new bridge over the Bay of St. Louis. It was his father, Paul B. Johnson, Sr., who fought for the removal of the toll on the Pascagoula River bridge and it was removed!

FIFTH: We also like the stand that

Paul B. Johnson has taken in this campaign that he will recommend to the Legislature that vital changes be made in the Sea Food Commission; that the members of this commission will be elected by the people, rather than be appointed by the Governor. Under such a system the fishermen, and those interested in the fishing industry will be able to select their representatives to operate and preserve the industry. He will recommend that 1 man from Hancock, Harrison, and Jackson County, will be elected to serve for a term of two years each.

Paul B. Johnson is young; he is aggressive; he has ability; he is a man of vision; he is ambitious, and desires to be of service to his fellow-man. He is not a high-collared boy, not a stuffed-shirt type of man, but is a man of the PEOPLE and a man with whom the people can talk. He is in the prime of life, with constructive ideas, and program that will be for the benefit of ALL the people, rather than the wealthy few.

In Hancock County we are all true Southern Democrats, for all that it stands. We KNOW that Paul B. Johnson, too, is a true Southern Democrat, and will be until he dies — and the supporters and friends of Paul B. Johnson resent such iniquitous charges that have been injected into this campaign by his opponent in the last hours of this campaign. However, this same opponent has done it three times before against other candidates in the last hours of each campaign when he faced defeat.

As a distinguished lawyer; as a veteran; as a statesman, as a MAN OF THE PEOPLE, we believe that Paul B. Johnson will make one of the greatest Governors that the State of Mississippi has ever had.

WE URGE YOU TO JOIN US ON AUGUST 28, BY CASTING YOUR VOTE FOR PAUL B. JOHNSON, AND GIVE HIM A CHANCE TO PROVE HIS PROMISE TO YOU! !

(Paid by Friends and Supporters of Paul B. Johnson)

Submitted to and approved by L. A. Smith, Campaign Manager for Paul B. Johnson.

## OBSERVATIONS

(Continued from Front Page)

... The HIGHWAY COMMISSIONER'S RACE ... Well, it would be just a waste of words, ink and paper if we said any more than WE ARE GOING TO VOTE FOR JOHN LUMPKIN ... This concludes the State Ticket

... As far as the County Officers are concerned you know them as well as we do and we are certain that every voter has definitely made up his mind as to whom they are going to vote for ... We know we have ...

## THEATRE

(Continued from Front Page)

As mediators, Father Whalen, as performed by Philip Allison, director of "Abie's Irish Rose," and Dr. Jacob Samuels as played by Joseph Vigurie, were good in their roles. Young Virgure, who had to portray an older man, was exceptionally good for his first appearance in any major production other than school musicals.

Mr. Allison was assisted in directing the show by Walker Spangenberg.

Anne Nichols' comedy brought many a laugh to Bay St. Louis on its opening night, and for the theatregoers who did not get to the show last night, be sure and go tonight or tomorrow. You will not regret it, because to use a bit of slang, "it really has something on the ball."

## Retired Policeman Dies Here Monday

Lieutenant Joseph Gentile, 68, retired member of the New Orleans Police Department, died suddenly in the office of a local attorney following a heart attack Monday, August 20, at 3:00 p.m.

The deceased, the husband of Rose Michel, resided here for several years at 216 Washington street. The body was taken to Lamano - Panno - Fallo Funeral Home in New Orleans by Piazza's.

Funeral services were held Wednesday, August 22, at 10:00 a.m. with a Requiem Mass at Sacred Heart of Jesus Church. Interment was in Metairie cemetery.

A native of New Orleans, Gentile was the brother of Laurence, Vincent and Salvatore Gentile, Mrs. Jules Dejarde, Mrs. George Hemett, Mrs. Dewey Newman and the late Pete and Gaspar Gentile and Mrs. Mary Knipper. He was the son of the late Mr. and Mrs. August Gentile.

NEW ORLEANS  
RESIDENT DIES  
HERE TUESDAY

George Joseph Bostick, 53 year old resident of New Orleans, died suddenly at King's Daughters hospital Tuesday, August 21, at 11:50 a. m.

Bostick suffered a heart attack in Waveland where he had been spending several days at a cottage there, and was taken to the hospital where he died ten minutes after arrival.

The body was removed from the Fahey Funeral Home to McMahon-Coburn Funeral Home in New Orleans for services and interment.

He is survived by his wife and three children, all of New Orleans.

FAN INSTALLED  
IN HOSPITAL

An attic fan was installed at King's Daughters Hospital this week.

This improvement was made possible through the generosity of Mr. and Mrs. Alden Mauffray, Mr. and Mrs. John McDonald, Mr. and Mrs. Harold Weston, Mr. and Mrs. Harry Lynch, Mr. and Mrs. Melvin Villere, Mr. and Mrs. A. J. Falkenstein, Sr., Mr. and Mrs. M. Rabe, Mr. and Mrs. Ed P. Phillips, Mr. and Mrs. Lester Smith, Mr. and Mrs. Leo W. Seal, Mr. and Mrs. R. J. Mes-tayer, Mr. and Mrs. M. J. Lang-uirand and Dr. and Mrs. Harold Keefe.

The new X-Ray machine was also installed at the hospital and is now in use.

TAG DAY CONTRIBUTIONS FALL  
SHORT OF QUOTA OF \$500

Miss Louise A. Crawford, librarian, announces that results of Saturday's Tag Day and drive for the book fund of the Bay St. Louis-Hancock County Library are to date not encouraging.

The amount banked at the end of the day was \$158.74 when the library had set \$500 as its goal. It is hoped that the friends of the library will rally to the cause and bring the amount up to the \$500 mark.

Waveland turned in \$17.57, the amount collected by the taggers in that city. Quite a number of cards were mailed out in Waveland and there will be a response to those.

Not all of the cards mailed to the library friends in Bay St. Louis have been heard from but it is a foregone conclusion that these friends will respond.

The girls selling tags did good work. They were Barbara Carr, Pam Crasto, Julie Dantagnan, Janelle Egloff, Ann Gillingham, Cathy Hebert, Brenda Kergosien, Clea Kay Miller, Peggy Kergosien, Dorothy Larroux, Alice Scaife and Frances Winstead.

Miss Crawford expresses appreciation for the work done by these girls and for the generous donations from friends.

## ANALYSIS OF BEAT 5 - SUPERVISOR'S RACE AUG. 7th

ORTE CARRIED 5 out of 9 Boxes

FAVRE CARRIED 2 out of 9 Boxes

HUBBARD CARRIED 2 out of 9 Boxes

ORTE CARRIED SOUTH BAY, COURTHOUSE, CITY HALL,  
CLERMONT HARBOR, LAKESHORE.

FAVRE CARRIED CENTRAL SCHOOL, NORTH BAY.

HUBBARD CARRIED WAVELAND, EDWARDSVILLE.

THE LARGE VOTE HUBBARD received in the iron-ruled, political-  
ly-controlled Waveland box was the only reason he is in the Second Pri-  
mary.

Hubbard did not carry one Bay St. Louis box. ORTTE LED the  
ticket in Bay St. Louis; Favre was second; HUBBARD, third.

THE CITIZENS OF BAY ST. LOUIS have voiced their opinion by  
voting ORTTE top honors. They will not let MAYOR GARFIELD  
LADNER and ALDERMAN HUBBARD of Waveland rule Bay St.  
Louis.

BAY ST. LOUIS DOES NOT DESIRE THAT TYPE OF LEAD-  
ERSHIP.

Remember—the Supervisor of Beat 5 levies the taxes for Beat 5  
which includes Bay St. Louis. When equalizing taxes, on whom will the  
burden fall — on the taxpayers of BAY ST. LOUIS or the POLITI-  
CAL-CONTROLLED ORGANIZATION OF WAVELAND. THIS IS  
the \$64.00 QUESTION.

ORTTE has treated Bay St. Louis and all of Beat 5 on an equal  
basis in levying taxes. For this reason, and a great many more, let's all  
stick together and not let Mayor Ladner and Alderman Hubbard of  
Waveland rule Bay St. Louis.

Continue to keep ORTTE your top choice by voting for him August  
28.

## Know The Truth!

The People's Candidate

JIMMY ARRINGTON

will be elected

LIEUTENANT GOVERNOR

because

Jimmy Arrington comes from and understands the ordinary people of Mississippi and their problems. He neither inherited nor married into wealth, but through hard work and the sweat of his brow he earned that which he now possesses. He belongs to the people and will forever be their champion and their defender against exploitation.

Jimmy Arrington has a thorough working knowledge of business administration, law, legislative procedure, education and medical needs in Mississippi, and of agriculture. He is one of the outstanding men in the state in the field of Human Relations—labor and management—having addressed over 200 labor and management groups in the nation, including the great Southern Conference at Blue Ridge.

Jimmy Arrington seeks the office because he wants to be Lieutenant Governor in order to continue to serve the people. He does not want it merely as a stepping-stone to the Governor's chair.

Jimmy Arrington is one of the first "States' Righters" in Mississippi. He walked out of the Philadelphia convention in 1948. He has made speeches all over the na-

tion in behalf of States' Rights and has written hundreds of newspaper articles about the cause for newspapers.

As an example of what the runner-up candidates in the first primary for Lieutenant Governor think of Jimmy Arrington, read what Hayden Campbell—a man who knows the truth—has to say about him:

"To my thousands of friends who supported me in the first primary and who have contacted me as to my stand in the Lieutenant Governor's race in the second primary, I wish to say that I shall support Jimmy Arrington for Lieutenant Governor. I said from the stump in his home county and I say now, there never was a more honorable man who ran for public office. His campaign methods were—and are—clean, honorable and upright, reflecting the type of man whom I have always known him to be and whom I believe would honor the office of Lieutenant Governor."

This is but one example of how thousands and thousands of Mississippians who have come to know the truth about the candidates for Lieutenant Governor are flocking to join with the man of the people, Jimmy Arrington.

## The Thinking Voter's Choice

The Primary duty of the Insurance Department is to regulate rates and supervise the insurance companies operating in Mississippi. The public interest requires that the post of Commissioner be held by an aggressive administrator, whose primary purpose in office is to protect the rights of the general public as against special interests.

You, the voters, have two men from whom to choose. Their records are available, and need only to be compared.

★ WALTER DELL DAVIS, who recently resigned as Chairman of the Mississippi Workmen's Compensation Commission to run for Commissioner of Insurance, a field of broader service.

★ 44 years of age, with a legal background and administrative experience, he can be of continued service to the State in the years ahead.

★ His record in the Legislature was one of sound judgment and wise voting. He played an important part in legislation resulting in our good road program, homestead exemption, increased aid for the schools and assistance to the needy old people.

★ The record of his present OPPONENT discloses 40 years of employment by insurance companies. His publicized insurance experience has necessarily been restricted to his companies' viewpoint.

★ Having reached the age of retirement, his OPPONENT now draws a liberal retirement pension by reason of his years of service with one of America's larger fire companies.

★ His OPPONENT's publicized legislative experience was not that of an elected law-maker, but was confined to that of legislative agent for the fire insurance companies when the legislature was in session.

This would be in keeping with Axis honor. Japan signed a non-aggression treaty with Russia only a few months ago, but if Russia is fighting Germany then Japan has a chance to cut down her friend.

If Japan attacks Siberia, there is every reason why the United States should give aid to the Russians, just like we give aid to the British and Chinese. ## Farmer's Prices Show Decrease

By JAMES TOLER

PRICES received by farmers have been going down since February; the prices paid by farmers have decreased only slightly. The outlook is for some further decline in farm prices.

INCOMES received by consumers are expected to continue high due to high level of employment and high wages.

DEMAND for farm products is expected to continue strong in keeping with increased spending for defense production.

COTTON prices have been on a downward trend since April. Further drop is expected unless yields are below average. Average 10-spot market price is about 38 cents.

The cotton crop in Mississippi shows an increase of about 25 percent.

FEED supplies are expected to be ample. Corn average is down in Mississippi about 17 percent; however, prospects for high yields.

LIVESTOCK numbers are expected to show an increase over the same period last year. Beef prices may be forced downward due to competition from pork, broilers and turkeys.

Dairy outlook is good: A milk

The Office of the Mississippi Adjutant General stated this week that the National Guard for Mississippi will consist of approximately 526 officers, 27 warrant officers and 6514 enlisted men when fully organized.

There will be approximately 66 units. The size of the reactivated National Guard in Mississippi will be more than twice the size of the Guard prior to World War II.

Plans are being made for the reactivation of these units in the near future.

—Commander and Mrs. J. B. Goldman and Miss May Goldman were dinner guests Saturday evening of Captain W. D. Taylor at his country home on Bayou Bernard near Handsboro.

shortage is expected in late fall and winter . . . demand will be strong and the price high. Butter storage is less than one-third of last year.

POULTRY. Egg prices are expected to continue high due to fewer pullets going into laying houses and unusually low storage stocks. Broiler production to continue heavy with prices strong.

PASTURES  
SILAGE can be put up during August from corn, cane or grass. Sorghum can be harvested earlier than was once thought. Cut when the seed in the middle of the heads is in the heavy dough stage. Plan to put up all the extra Sudan, millet and grain sorghum as silage.

OVERGRASSING is especially bad during August. Three ways to protect pastures from overgrazing are: first, have enough land in pastures. Second, change livestock often from one area to another. Third, have temporary grazing to give pastures a rest.

Fall Combinations and Seeding rates are: fescue 10 pounds to the acre with three pounds of ladino; three bushels of oats with 20 pounds of crimson clover; and 25 pounds of ryegrass with 20 pounds of crimson clover. When oats are used F. M. A. assistance cannot be obtained.

## WEEDS IN PERMANENT PASTURES

Spray pasture with one pound per acre 2, 4-D (amine form) in early spring; repeat in July or August. White clover will be injured by 2, 4-D. Lespedeza seems to tolerate the 2, 4-D. Use 20 to 40 gallons of water per acre plus, 2, 4-D for good coverage.

This treatment should control bitterweed, sida, pigweed, ragweed, tarweed, and numerous other 2, 4-D susceptible weeds found in Mississippi pastures.

**WILD ONIONS**  
Spray with ester of 2, 4-D in early fall at two pounds per acre. Repeat application in February or March when onions regain growth. Two to three years treatments should practically eradicate the onions.

Twenty to forty gallons of water solution per acre is adequate for coverage.

## BERMUDA GRASS

Bermuda grass may be controlled around beds, walks, gardens, etc., with a toxic oil—boiling range above 600 degrees F. Spray the grass with the oil, wetting the foliage.

It has been reported that spraying Bermuda grass roots in the winter with 2, 4-D has given excellent kills. The procedure is to spray the grass and then turn the sod over and spray again.

## DOCK

Dock should be treated with one pound 2, 4-D amine per acre in early fall when plants are small and growing. Retreat in late February or March when plants resume spring growth. The 2, 4-D may be applied to dock in oats without injury to oats or cattle grazing on them. It has been observed that 2, 4-D makes some plants more palatable—sheep have been known to clean the dock up after the dock was sprayed with 2, 4-D. Twenty to forty gallons water solution per acre is adequate for coverage. It will take more than one year for eradication but expect good control the first year.

PASS CHRISTIAN

P. C. Y. C. WINS KNOTS  
TROPHY

The Pass Christian skipperettes did a fine job of sailing this past weekend, winning a victory that brought the much sought after Knots trophy in the local club house.

Pass Christian placed first in the regatta with a total of 20 1/2 points, Pensacola came in second with 17 1/2 points and Bay St. Louis-Waveland Yacht Club tied with Southern of New Orleans for third place with 15 points each.

P. C. Y. C. won the first race of the regatta Saturday with Miss Ann Liversedge as skipperette, and Mary Margaret "Tut" Johnson and Jane Brown, crew.

In the second race Miss Marion Christ skippered for the Pass Club with Mrs. Lorette Wittmann and Miss Rosalie Ambler crewing for her. Miss Christ sailed a beautiful race, not only taking the lead at the starting gun and keeping it throughout the entire course but increasing it, crossing the finish line ahead of the fleet.

With Pass Christian leading the regatta with two first places Miss Rosalie Ambler, who skippered the third race for the P. C. Y. C., found herself sailing a team-work conservative race in order to keep the lead for her club. Mrs. Lorette Wittmann and Miss Jane Brown crewed with Miss Ambler who placed fifth in the race with Pensacola crossing the finish line first.

Marge Riley skippered for Pensacola with Eleanor Schreck and Carol Fae Youd as crew. The finish line at the end of the third race was a bee-hive of activity with five boats crossing the line within 6 seconds of each other.

Commodore Arthur B. Tipping, at special presentation ceremonies following the races awarded the individual trophies to the skipperettes and their crews and introduced Mr. Bernard Knost who presented the Knots trophy to the Pass Christian Yacht Club.

The Knots regatta was originated in 1938 and is distinctive in that it is the only all-girl regatta sailed in the Gulf of Mexico. The trophy has been won by the following clubs: in 1938 by Southern Yacht Club; in '39 and '40 by the Gulfport Yacht Club; in the years 41-42 the Trophy came home to the P. C. Y. C.

During the war years of 1943 through 1946 the regatta was not sailed but in '47 began again with Biloxi taking the trophy and keeping it again in '48. Pass Christian brought the honor home in 1949. New Orleans won the cup in '50 and now the Knots trophy is again proudly displayed in the Pass Yacht Club.

A dinner and dance was held at the club Saturday evening entertaining members and out-of-town guests and a luncheon was held Sunday at which the oldest

## Waveland School To Open On 31st

By Mrs. H. K. Holderith

Waveland School will be opened for registration on Friday, August 31. Classes will begin on Tuesday, September 4. The following teachers will be at the school for the coming year: Miss Mary Perkins, principal and teacher of the seventh and eighth grades; Mrs. Effie Mazarakis fifth and sixth grades; Miss Cecile Turcotte, third and fourth and Miss Mary Margaret Turcotte, first and second grades.

Mr. and Mrs. Henry Necaise, Sgt. and Mrs. J. H. Canswell and Mr. and Mrs. Leo Dubblin are moving to Mobile on a business trip Wednesday of last week.

Mr. and Mrs. Henry Necaise and Sgt. and Mrs. J. H. Canswell spent the weekend in New Orleans visiting Mr. and Mrs. W. L. Gaudia and Mr. Necaise's son and daughter-in-law, Mr. and Mrs. Rene Necaise.

Dean and Mrs. James M. Robert had as their guests for the weekend Mrs. Edwin M. Hacker and Tommy Burke of Pensacola, Florida. Philip Hacker returned with them.

Dean and Mrs. James M. Robert had as their guests during the week for two days Col. and Mrs. Frederick H. Fox of New Orleans.

Mr. and Mrs. H. K. Holderith had as guests Mr. Holderith's brother-in-law and sister, Mr. and Mrs. F. J. Grunewald of Tallahassee, Florida.

Merle and Janice Clair Alt of New Orleans have been spending a few days with Mr. and Mrs. R. F. Dietrich at their home, Waveland avenue.

Mr. Lothar E. Hornuff, Jr., who has been inducted into the armed forces has left for Texas and assignment.

Mr. and Mrs. Roy Hopp and son, Terry and Mrs. Viola Melun of Alhambra, California, were guests of Mr. and Mrs. W. A. Walsdorf.

Mr. and Mrs. R. F. Dietrich will have with them at their summer home on Waveland avenue skippers and crews were guests of the club.

nue, for the weekend Mr. and Mrs. Frank Meyer of New Orleans.

Mrs. M. J. Dowd, Misses Betty Janice Dowd, Carolyn Johnson, Carmel Duquette, Joyce Tracy and Madeline Dowd are spending a while at the "Plain Bill" cottage in Waveland Park.

Rose Lynn Evans is staying with her grandparents, Mr. and Mrs. H. K. Holderith while her parents, Mr. and Mrs. Gerald L. Evans are taking a trip to Miami, Florida.

Mr. and Mrs. Ernest Hunter have purchased the Bozeman house on Surf street.

Mr. and Mrs. Neil Pendleton have rented the Lind cottage on Nicholson avenue.

Mr. and Mrs. J. B. Marks have rented the Marquez cottage on the beach.

Mr. and Mrs. Roger Hope and family are back in Waveland again in the Herlihy cottage on Coleman avenue.

When Mr. Hope was here before, he made some very interesting sketches of Waveland.

An item of interest from a recent issue of the Chicago Tribune: Legends Surrounds Pirate House on Mississippi Gulf.

Waveland, Miss.—The Pirate House built in Waveland on the Mississippi coast, stands as a reminder of an era when ruthless seamen terrorized waters bordering miles of white sandy playgrounds along the Gulf. Originally owned by a New Orleans business man the house is said to have had a secret tunnel extending from its subcellar into the Gulf through which booty was transferred directly from pirate ships to strongholds beneath this seemingly quiet beach home. Half hidden closets and openings into lockers lend credence to the romantic legends surrounding this one-time shelter of the notorious privateer Jean Lafitte.

## JOHN D. SMITH

Now Serving His First Term and  
Candidate for Re-election  
To a Second Term as  
STATE HIGHWAY  
COMMISSIONER  
For the Southern District

## A STATEMENT FROM JOHN D. SMITH

"I sincerely regret that my opposition in this race have, in their desperation, resorted to a campaign of abuse, vilification and falsehood, both direct and by implication, insinuation and innuendo. I have not indulged in this type of campaign; FIRST, because I know that the shortcomings of my opponent add nothing to my qualifications for the office, and SECOND, because such tactics are an insult to your intelligence.

I AM ASKING TO BE RE-ELECTED TO A SECOND TERM AS YOUR HIGHWAY COMMISSIONER ON THE BASIS OF MY RECORD.  
I CAN DO A BETTER JOB FOR YOU DURING A SECOND TERM BECAUSE OF THE EXPERIENCE GAINED DURING THIS, MY FIRST TERM.

I was born and raised in Simpson county and have resided in that county all of my life. In considering my qualifications, character and general fitness, I would like for you to have the following facts of which I am very proud.

—THE PEOPLE OF MY HOME COUNTY OF SIMPSON SELECTED ME TO SERVE AS THEIR SHERIFF 1928-1932—

—THE PEOPLE OF MY HOME COUNTY OF SIMPSON SELECTED ME TO SERVE AS THEIR CHANCERY CLERK 1932-40—

—THE PEOPLE OF MY HOME COUNTY OF SIMPSON SELECTED ME TO SERVE AS THEIR SHERIFF 1944-48—

—THE PEOPLE OF MY HOME COUNTY OF SIMPSON GAVE ME 2/3 OF THE TOTAL VOTE CAST IN THAT COUNTY IN 1947 WHEN I WAS ELECTED HIGHWAY COMMISSIONER—

—THE SAME BONDING COMPANY HAS MADE MY BOND FOR EVERY PUBLIC OFFICE I EVER HELD, INCLUDING THE OFFICE OF HIGHWAY COMMISSIONER.

—THE PEOPLE OF MY HOME COUNTY OF SIMPSON, IN THE FIRST PRIMARY ON AUGUST 7, 1951, GAVE ME 2 1/2 TIMES AS MANY VOTES AS THE COMBINED TOTAL OF MY FIVE OPPONENTS.

AND ALSO

I am very proud of the endorsement given me by the people of the Southern District in this race when, in the first primary on August 7, 1951, they gave ME 62,000 votes against a total FOR ALL FIVE OF MY OPPONENTS, of 76,000."

Ad Writer's Comment—The Aug. 7, 1951, first primary results, using round figures, were—JOHN D. SMITH (62,000 votes)—JOHN LUMPKIN, Smith's present opponent, 27,000 votes—FOUR OTHER CANDIDATES 49,000 Votes. Using a little simple arithmetic it seems obvious that if the same number of votes were cast in the second primary SMITH would NEED 36 HUNDRED of the 49,000 opposition votes, while LUMPKIN would NEED 46 THOUSAND of the 49,000 opposition votes.

THERE's no need just to talk about the weather! There are many things you can do about it—with electricity!

Hot? An electric fan will cool you off! Rain? No matter—your wash will dry in minutes in your electric clothes drier. Cold? Electric heaters will warm you. Weather—or not—electricity vacuums your rugs . . . tells time . . . preserves food! In fact, you can even change night into day at the flick of a switch!

It's a real miracle when you think about it, don't you agree? And best of all, electricity permits Mrs. America and her family to live comfortably, to work efficiently—fair weather or foul—for just a few cents a day.

## HOME AGENT'S NOTES

## Here's How To Cover Scratches

By MISS MADGE ALLRED

Scratches often just seem to appear from nowhere on furniture, don't they? You probably find this especially true if you have young children in your home.

Here, are some suggestions on how to make the scratches less noticeable. If the scratches are severe and you cannot hide them by following these suggestions, it is best to do a refinishing job on them.

**ON WAXED SURFACE.** Sometimes rubbing with wax or a cut piece of walnut meat, or brazil nut meat will make a light scratch disappear. If this doesn't do the job, brush scratch carefully with turpentine. Let dry. Apply fresh wax. Polish.

**ON POLISHED SURFACE.** Rub extra polish into scratch to darken it. Deep scratches may be darkened by applying a march wood stain with a fine brush. Iodine will often darken the scratch satisfactorily. After the stain is dry, apply white shellac with a fine brush until crack is filled, letting each application dry thoroughly. Then polish.

**SEVERE SCRATCHES.** Wrap fine steel wool (size 0) around the point of a wooden skewer or orange stick. Rub the scratch with the steel wool, being very careful not to mar the surrounding surface. Brush thoroughly with a soft brush to remove scrapings. Apply turpentine with a soft lintless cloth. Let dry. With a fine paint brush carefully apply a thin coating of white shellac. Let dry. Apply additional coats of white shellac in this way until the desired color is obtained and the scratch is filled. When the last coat is dry, rub to a polish.

Besides these accepted methods you may be able to buy or secure from your furniture dealer, a scratch-concealing furniture polish or wax scratch filler in the color of your furniture finish.

You will find you can make surface scratches on dark furniture almost invisible by rubbing with one of these and polishing the scratched surrounding area with a clean, soft cloth.

**GRASS IN CRACKS**  
Grass that grows in the cracks of a walk can be easily controlled with kerosene. Pour a small amount of the liquid on the grass every few days until it is dead.

**WINTER FLOWERS**  
Your pot plants can be cut back now to make them bushier for indoor use this winter. Plants you may cut back are coleus, geranium, sultana, begonia, and

poinssetia.

Be on the lookout for the next few months for any dry materials (as grasses, lichens on logs, twigs, etc.) that you can use for colorful arrangements in your home this winter. A little paint will add color to much of the dry material.

**HEMMING THE QUICK WAY**  
As you begin getting the children's clothes ready for the opening of school, you'll find this quick hemming method a time saver.

Turn the hem up the desired length and make it even in width. Finish the edge by turning and machine-stitching it along the turn. If you use a seam binding, stitch it to the unfinished edge of the hem.

Pin and baste the finished hem edge to the skirt. Fold the body of the skirt back at the top of the hem. The body of the skirt and the hem now face each other on the right side.

Catch the edge of the hem and the skirt together with running stitches by working the needle back and forth between the wrong side of the skirt and the under side of the hem edge or seam binding. Take small stitches on the skirt side. With practice you can take several stitches at one time and these stitches should not show on the right side.

IT HAPPENS EVERY DAY IN MISSISSIPPI

1 out of 2½ goes rural!

Last year, Southern Bell added a total of 16,281 telephones in Mississippi—and 6533 of these additional telephones went into rural homes! In other words, our state-wide average for the year was one new rural telephone for every 2½ additional telephones!

Putting \$200,000 a month into NEW RURAL TELEPHONES in Mississippi

This remarkable year climaxed the great 5-year program of rural telephone expansion started by Southern Bell late in 1945—a program on which we have already spent \$½ million dollars to give rural

Mississippians an additional 26,000 telephones.

So far this year, our rural expansion in Mississippi has kept pace with last year's . . . project after project of the more than 100 planned for the year have been completed and put in service, including several modern dial switching units.

From here on out, our ability to expand and improve rural facilities in Mississippi depends on (1) the availability of materials and (2) the availability of capital—which depends upon maintaining earnings at a level that interests investors. We are eager to go ahead with our program, for progress is a Southern Bell tradition.

## Bourdin Arrives Home From Service

Adolph Bourdin, Jr., son of Mr. and Mrs. Adolph Bourdin, 535 East Second street, arrived home Sunday evening from Minneapolis, Minnesota, following his release from active service with the U. S. Marine Corps.

Sgt. Bourdin was called to active duty with the organized reserve unit, C Battery, 710th Howitzer Battalion, of Jackson, Miss., in August, 1950. Serving at Camp Pendleton, Southern California, in the receiving company training replacement command, he was later transferred to the District Headquarters Recruiting station in Minneapolis.

Sgt. Bourdin's release from active duty became effective Thursday, August 16th, through the rotation plan, under which World War Two Veterans are given priority rating. In the last World War Bourdin saw duty in North China.

Bourdin plans to enter Spring Hill College in Mobile, Alabama, at the beginning of the September term.

This is the Wittmann's third child and second son.

Mrs. Wittmann is the former Miss Shirley DeMetz, daughter of Mr. and Mrs. Donald DeMetz, West Beach Boulevard.

Mr. and Mrs. Clayton Ladner, of Henderson Avenue, announce the birth of a daughter, Susan Marsha, Friday morning, August 17 in the Gulfport Memorial hospital.

Mrs. Ladner has one other child, a son, Jerlyn.

Mr. and Mrs. Cliff Erwin announce the birth of a son, John Warren, born Sunday morning, August 19 in the Gulfport Memorial hospital.

Mrs. Erwin is the former Miss Margaret French of this city.

## COVEY-WALTHER

Miss Barbara Dee Walther, daughter of Mr. and Mrs. Curtis Clifford Walther, and Mr. Robert Dwight Covey, son of Mr. and Mrs. Dwight Stewart Covey, of Baton Rouge, were married Saturday morning, August 18, in the Walther home on East Beach.

Rev. Willis G. Clark, Rector of Trinity Episcopal Church, officiated.

The bride was given in marriage by her father. The bridal gown, of imported white organza embroidered in a flower motif on the yoke and high neckline, was trimmed with self covered buttons. A veil of illusion, of

fingertip length, was held to the bride's head by a Belgian lace cap.

Miss Walther carried a cascade arrangement of variegated ivy interspersed with cream-colored fungus.

The bride's only attendant was Mrs. Edward Helms, Matron of honor. Gerald A. Stewart of Baton Rouge, La., was best man.

A large number of guests attended the reception held in the garden of the Walther home immediately following the wedding ceremony.

Assisting the young couple receive were Mrs. Walther, who wore brown chiffon over starched pink organza, with a green cymidium and ivy corsage, and Mrs. Covey, mother of the groom, who wore rose shantung with an orchid corsage.

Mr. and Mrs. Covey left later in the day for a wedding trip to Hot Springs, Arkansas, and will return to Pass Christian for a visit before going to Galveston, Texas, where they plan to make their home.

Mrs. Covey's traveling suit was of Navy linen and she wore wheat and Navy accessories, with a corsage of stephanotis and ivy. There were many New Orleansians and other out-of-town guests at the wedding.

Word has been received by Mrs. Martin Farrell from her son, Warren Farrell, U. S. N., that he is awaiting transfer to a Naval hospital in Memphis, Tennessee, from which he will receive his release from the Navy.

Warren served aboard a speed plane tender as radio man and sustained a knee injury necessitating hospitalization in an Okinawa hospital. He was later

brought to the States and has been hospitalized at a Naval Base hospital in California.

Mr. Farrell will be joined in Memphis by his wife who is presently staying with her parents, Mr. and Mrs. J. M. Obet. In their home in Chickasha, Oklahoma. During her husband's tour of duty, Mrs. Farrell served as a director of scouting and in research work in Government scouting in the Oklahoma district.

The Farrells plan to spend a vacation on the coast with Mrs. Martin Farrell and relatives and friends.

Following his vacation Warren plans to return to the Gulf Company in Shreveport as a geologist.

## CELEBRATES BIRTHDAY

Mrs. Mires Jackson was hostess in her new home on East Second Street Thursday evening at a card party honoring her daughter, Nan, on the occasion of her birthday.

Party refreshments of lemonade, ice cream and cake were served by the hostess.

Guests attending the party included Misses Mary Greco, Rosie Greco, Catherine Purchner, Patsy Hayden, Anna Louise Vaccaro, Betty Joyce Keel, and Mrs. Denella Hodgins.

Mr. and Mrs. William Bourdin, Sr., and Mr. and Mrs. Shannon Pickick left Wednesday evening enroute to Opa Locka, Florida to visit Mr. and Mrs. Bourdin's son, Pfc. Thomas F. Bourdin, who is attending the Embury Riddle School of Aviation at Opa Locka.

Tommie enlisted in the U. S. Air Force in early May, received his basic training at Lackland Air Force Base, Texas, and was transferred to Florida for specialized training at the school.

The Bourdins and Pickicks will motor down the west coast of Florida, drive across the tip of the peninsula and return home up the east coast and across the northern part of the state.

## CONGRATULATIONS

To Mr. and Mrs. Paul McDonald, of Miami Shores, Florida, on the birth of a son, Elliott Paul, Tuesday, August 21st.

This is the McDonald's second child and first son.

School Days  
Are Back Again

St. Joseph's School will open for registrations of high school students on Thursday, August 30, at 9:00 a. m. and for grade school students on Friday morning, August 31, at 9:00 a. m.

Regular class work will begin on Tuesday, September 4 and all parents are requested to enter their children on the first day if possible.

Names and assignments of faculty members of St. Joseph's school will be announced later. Some teachers are still in Jackson, Mississippi studying under the direction of Rev. Russell Woolen, of the Catholic University of America faculty. Others are completing courses at Loyola University in New Orleans.

The Pass Christian public schools will open for registration Friday, September 7. Classes are to begin the following Monday morning.

Superintendent Norman Hall requests that parents bring both birth and vaccination certificates for children whom they are enrolling for the first time.

## PLAN BAZAAR

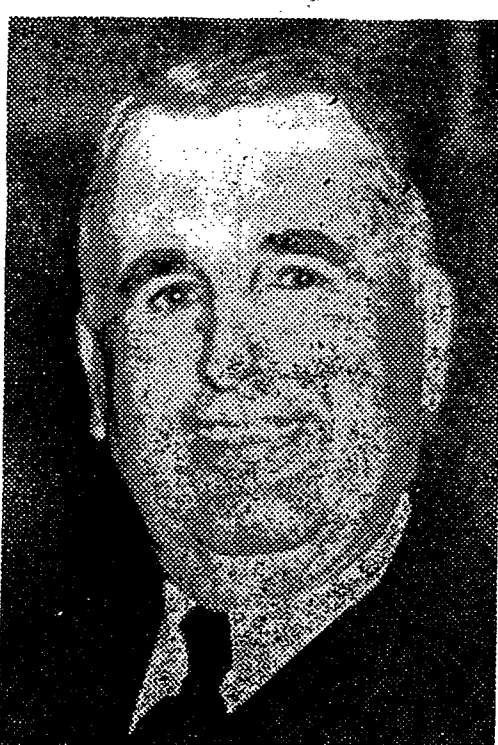

The War Memorial Association has set September 1 and 2 for the annual bazaar to be held on the Park Grounds, the proceeds of which go towards the upkeep and beautification of the park and the fulfillment of the 1951-52 park program.

The towns civic and social clubs are participating in the preparation for the affair and everyone is invited to attend.

## HUGH WHITE

**MISSISSIPPI'S NEXT GOVERNOR  
WILL SPEAK AT THE  
COURTHOUSE, BAY ST. LOUIS  
MONDAY, AUGUST 27  
10:30 A. M.**

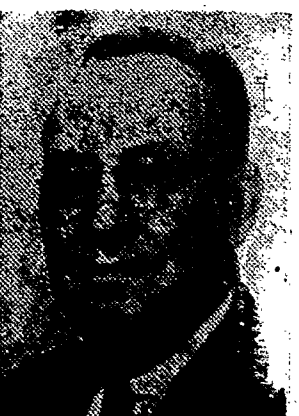

When he served the State as Governor, his leadership and experience created the impact for the State's amazing strides and progress. He has more plans for greater results in the future.

**Come Hear Him Monday Morning  
At 10:30 At The Court House  
At Bay St. Louis, Mississippi.**

**WHITE FOR GOVERNOR**

**HANCOCK COUNTY COMMITTEE**

Let's Re-elect  
**WALTER L. MCGAHEY**  
For A Second Term As  
**STATE LAND  
COMMISSIONER**  
"One Good Turn  
Deserves Another"

\*I am basing my appeal for your support on my record during my first term. During that time, the operating expenses of the office were reduced by approximately 45%. In addition, we returned unspent to the State Treasury \$17,808.00. We have operated the State Land Office efficiently, honestly and economically.  
Approved by Walter L. McGahey

Misses Naomi and Della Tullos that their vacation trip is a complete fulfillment of their life-time dream. They described the plane trip as most enjoyable and are staying in a lovely, modern motel in Flagstaff, Arizona.

Points of interest visited by Misses Tullos include Oak Creek Canyon, Walnut Canyon, Sunset Crater and the Grand Canyon.

Emily Bryant brought into the Echo office from her garden, a cucumber weighing two and one-half pounds. The cucumber measured eight and three-quarter inches long with a diameter of twelve inches.

Mr. and Mrs. E. A. Allen, of Henderson Avenue, have purchased a lot on Sherman Avenue and have begun construction of a new home.

Mr. and Mrs. Johnny DeMetz and family have moved into their newly completed home on Sherman Avenue.

Miss Mary Louise Hartigan, of Minneapolis, Minnesota, is a house guest in the home of Mr. and Mrs. Adolph Bourdin, Sr., East Second street.

Pfc. Robert Van Court, Jr., son of Mr. and Mrs. Robert Van Court, Sr., is spending a fifteen day furlough at home with his parents enroute to Topeka, Kansas, where he has been assigned to a school.

Jerry Hayden, son of Mrs. Wilfred Hayden, 525 East Second Street, has enlisted in the U. S. Air Force and is taking his basic training at Lackland Air Force Base, San Antonio, Texas. Jerry is a graduate of St. Joseph's school, Pass Christian.

Gene Rourdin has returned to Natchez, Mississippi, where he is employed by the Southern Bell Telephone Company, following a visit in the home of his parents, Mr. and Mrs. Adolph Bourdin, East Second street.

Mrs. Hugh McDonald recently returned home following a vacation trip to Panama City, Florida, where she visited in the home of friends.

Mr. McDonald was employed at Pensacola, Florida, but returned to the Pass with his wife and has gone to Natchez, Miss., where he is now working.

Mr. and Mrs. W. S. Vanlandingham left last week for Texas where they are visiting in the home of Mrs. Vanlandingham's mother.

Recent house guests in the home of Mr. and Mrs. Roland Martin, East Second street, include Mrs. John Howell, Mrs. Martin's grandmother, and Mrs. T. L. Walker, and her two daughters, Jan and Tretha, of Mize, Miss.

Mr. and Mrs. G. Venturini and son, Gus, Jr., and Jimmy, and

daughter, Marilyn, and Mr. and Mrs. Benedict Proenzano and daughter, Valerie Lynn, all of New Orleans, were recent house guests of Mr. and Mrs. Fabian Wambsgans, in their home on Davis Avenue.

Mr. and Mrs. Frank McDonald, Jr., and Mrs. George McDonald, and child, and Miss Jeanne Coker, were recent visitors to Houston, Texas, where they stayed with their father, Mr.

Frank McDonald. Following her trip to Texas Miss Jeanne Coker left the coast to return to her home in Dayton, Ohio.

Mrs. Georgia Ladner was joined her Sunday by her son and his wife, Mr. and Mrs. Clyde Ladner, and baby, and another son, Carolyn Ladner, all of New Orleans. With Mrs. Ladner's mother, Mrs. Virginia Lafontaine, they spent Sunday in Biloxi.
